

Rolling Along!

By Dale D. Robins

We have been operating on “Plan B” since health officials determined that group gatherings were spreading the coronavirus and we have cobbled together a plan that I hope and pray is keeping everyone edified and “in the loop” of what all is going on. Here is the agenda as we have put it together thus far:

1. For the Sunday worship we have been livestreaming on Facebook a service from the building because we have the best internet service there, and it provides a sense of familiarity to what would normally be taking place with the whole congregation assembled. Later in the day the Facebook livestreams are uploaded to YouTube and can be viewed there.
2. We have been putting supplies for the Lord’s Supper out on the porch entrance to my office which is in the rear of the building by the azalea bushes for anyone who may need them. We usually put out fresh supplies starting around 9:00 AM on Saturdays. Come by and help yourself.
3. We are continuing our radio program each Sunday morning from 7:15 to 7:30 on AM 1240 – WSFC. It is also available on the I-Heart radio app for those who live too far out of Somerset to pick up the AM signal on a radio. I get comments on it from all over the world.
4. On Wednesdays I upload a Bible class for your study on Facebook. The radio program is dealing with a passage that is frequently twisted by some, so I am spending a few weeks digging deeper into that material in this Wednesday class.
5. Around midweek I try to get the bulletin mailed along with Bible study materials for our younger classes. This provides materials for the smaller kids, keeps all posted on the latest News ‘n Notes, provides the weekly Bible Reading Schedule, and offers other study aids for us to use at home for further Bible Study.
6. On Wednesdays Bro. Barry Lee has put together an interactive Bible Class on the internet for the teens using the Zoom App. He has had ten or more students from Eubank in each of his classes so far. I am so encouraged by their participation!
7. Several of us are trying to call around and check on folks to see if there are any needs we can address. Please feel free to call others just to chat and ease the burdens we all are facing right now. Sending a card would be nice. For some of us isolation is tough!

More ideas are brewing as to what we can do to provide more study options and connections while we are parted. Please pray for one another and help out as you can. I pray God is being glorified, and this church is growing stronger as a result of this *“present distress.”*
You all are in my prayers!
